

2019 KENMORE STATE HIGH SCHOOL YEARS 8-12 TRANSITION UNIFORM POLICY

School Dress Code

In 2019, Year 8-12 students will undertake a transition to the endorsed Uniform Policy. Students in Years 8-12 will wear their formal day uniform on Monday's (our assembly day) school photo day and formal occasions such as ANZAC Day, Awards Ceremonies and some school excursions.

All other uniform requirements outlined in the 2019 Uniform Policy must be adhered to, this includes hair, makeup and jewellery requirements. The school hat is to be worn by all KSHS students from 2019. Non-school hats are not permitted.

Please refer to non-compliance with the dress code (*Education (General Provisions) Act 2006 (Qld)*) section regarding non-uniform processes, other consequences, resolving uniform issues and financial hardship assistance.

Frequently Asked Questions

1. Can my student wear a boys or girls shorts or shirts?

Yes, students can wear either uniform item. The girls blouse is designed not to be tucked in like the boys shirt. Students should align with one matched uniform (where possible). If parents are purchasing a tie for senior shirts please ensure you have the correct tie for the shirt or blouse.

2. Do I need to purchase the school jumper and the tracksuit jacket?

No, the tracksuit jacket can be worn with the formal day uniforms. However, the track pants are not suitable for formal occasions.

3. Can students wear bike pants under the skirt for modesty purposes?

Yes, this is permissible. This should not be visible below the skirt hemline.

4. Are leggings allowed under the formal skirt in winter?

Yes, as long as they are not seen below the hemline of the skirt. Thick opaque stockings or tights do keep students warm in winter. We also have trousers for both boys and girls to keep students warm in winter.

5. My student has the wrong shoes on as they got wet or they are at their other parent's house. Will they get a detention?

1. Where a student presents to school out of uniform for any reason, they should bring a note from home, signed by his/her parent, highlighting why the uniform can't be worn and a suggested time period whereby this can be resolved. This should be taken to the uniform room (room A06) before school where there will be an attempt to rectify this. This room will be open from 8:15am - 8:50am). Students who follow this process will not receive a detention.
2. With regards to shoes specifically, if your student brings a note stating the reason for the non-uniform sport shoes and when the issue will be resolved, the student will not receive a detention. Please remind your student to present the note to the uniform room before school and they will record the uniform violation with no detention.
3. If the issue is with the formal shoes, we will have shoes available to use for the day.

Students with the incorrect formal shoes are present at the uniform room before 8.50am.

If you have any other questions related to the uniform transition please send an email to

principal@kenmoreshs.eq.edu.au . We can post these questions and answers to help other parents.
