## Our school strategies are on track to meet our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

Use data and Know Your Learner processes to:

- Identify students and create targeted intervention classes for under those currently below/near national minimum standards benchmark in literacy/numeracy
- Increase the % of students in U2B for numeracy by continuing with U2B Numeracy Project

Continue to improve student outcomes through an explicit focus on Pedagogy & Reflective Practice:

- Continue school wide approach on pedagogy to maximise student outcomes
- Appoint a Reflective Practices facilitator to build teacher expertise and provide professional targeted feedback
- Develop and implement a school wide literacy toolkit to improve student outcomes
- Develop literacy and numeracy programs for Year 7 NAPLAN preparation
