## Foreword

This Selection Guide provides specifications and configurations for the devices offered in the 2019 round of Choose Your Own Device (CYOD) at Kenmore State High School. The completion and return of the ***Selection and Payment Form*** on the back two pages of this document, is all that is required to confirm involvement in the CYOD (or Bring Your Own Device (BYOD)) program for 2019.

The 1-to-1 Technology Program (CYOD and BYOD options) offered by Kenmore SHS is explained in more detail in the *Kenmore SHS CYOD/BYOD Handbook* document which is available on the school website. This *Selection Guide and Order Form* should be read in conjunction with the *Handbook* document. Participation in the Student 1-to-1 Technology Program (CYOD or BYOD options) is conditional upon participation in the ***Student Resource Scheme***.

The devices offered in this selection come with a **3-year warranty (including battery) and 3 years Accidental Damage Protection (ADP)**. Pricing offered in this version of the Selection Guide is valid for the *End 2018* ordering round.

Again, please refer to the *Kenmore SHS CYOD/BYOD Handbook* document for any points of clarity regarding support offerings, device ownership, software, etc. On completion of the Order Form; if selecting a CYOD option, you will be receipted for the CYOD Participation Agreement and an order placed for your selected device. Handout to students will be shortly after school resumes for 2019.

- Balance of ADP coverage (along with warranty) is transferrable. (Particularly relevant if student leaves the school within 3-year warranty/ADP period).
