

## Kenmore State High School Parents and Citizens Association

### JOIN OUR TEAM OF TUCKSHOP PARENT VOLUNTEERS

The school's Tuckshop *The M' Eating Place* is managed by the Kenmore State High School P&C Association. It is a spacious, modern, commercial standard kitchen and servery that is fully screened and air conditioned. The Tuckshop has an extensive menu and serves food in a safe, hygienic and efficient manner. It is a warm and welcoming place that provides good quality food and excellent service to students and staff at Kenmore High School.

The tuckshop is always looking for volunteer help from parents or grandparents. Volunteer help is essential for the Tuckshop to function profitably, while providing food and drinks at reasonable prices. Assisting at the Tuckshop is a great way to meet other parents and to become involved at the school.

We invite you to join us at whatever level you can – once a fortnight, once a month, once per term or any amount of time you can spare. Any assistance at all will be appreciated even if you can only help for a short amount of time or on an occasional basis. While it is busy, it is also a very social day and a good way to make new friends.

If you can help, please provide your name, e-mail address and telephone number below and we will contact you to discuss how you can help. If you wish to be rostered on with a friend, please also include your friend's name on the form.

Kind Regards,

**Cathy Liddy**  
**Tuckshop Manager**

Repeat e-mail address (please print neatly): \_\_\_\_\_

A requirement of our Student Protection Risk Management is that we know that any parent coming onto the school property is not restricted from having a Working with Children Bluecard. The only way we can really know this is if you actually have a Bluecard, and so we are asking all our volunteers to get a Bluecard if they don't already hold one. This is free for volunteers, and it is quite an easy process to apply, and we will assist you with that once we receive this volunteer form.
