## Foreword

This Selection Guide provides specifications and configurations for the devices offered in the 2024 round of Choose Your Own Device (CYOD) at Kenmore State High School. The completion and return of the **Selection and Payment Form** on the back two pages of this document, is all that is required to confirm involvement in CYOD (or Bring Your Own Device (BYOD)) for 2024.

The 1-to-1 Technology Program (CYOD and BYOD) offered by Kenmore SHS is explained in more detail in the *Kenmore SHS CYOD/BYOD Handbook* document which is available on the school website. This *Selection Guide and Order Form* should be read in conjunction with the *Handbook* document. Participation in Choose Your Own Device (CYOD) is conditional upon participation in the **Student Resource Scheme**.

The devices offered in this selection come with a **3-year warranty (including battery) and 3 years Accidental Damage Protection (ADP)**. Pricing offered in this version of the Selection Guide is valid for the 2024 period.

Again, please refer to the *Kenmore SHS CYOD/BYOD Handbook* document for any points of clarity regarding support offerings, device ownership, software, etc. On completion of the Order Form, if selecting a CYOD option, you will be receipted for the CYOD Participation Agreement, and an order placed for your selected device.

---

## Accidental Damage (ADP) Terms and Conditions Summary \*

- \$0 excess on claims.
- A maximum of one (1) claim per 12-month period commencing from the start date of the term of the Service Contract (effectively one claim per calendar year).
- Claims do not accumulate or carry over to any subsequent 12-month period.
- Additional ADP claims within the same 12-month period will be repaired at the vendor's full parts and labour costs. These repair costs will be passed on to students/parents.
- ADP does not cover accessories (Laptop case, charger, stylus); however, these accessories can be purchased through the school.
- Balance of ADP coverage (along with warranty) is transferrable. (Particularly relevant if student leaves the school within 3-year warranty/ADP period). There may be a small transfer fee applied.
- Decisions on ADP coverage are made by a third-party insurance provider. Adequate details of the incident causing damage is required on the claim form for an ADP claim to be processed.

\* Full terms and conditions available on Kenmore SHS website

## Option 1: Acer P414 – i3-1220P processor

This option is suitable for all general school use including browsing the internet and creating documents using Microsoft Office applications.
